Thanks a lot for your nice comment my friend! Hello to . All total war games were updated at the time of the release of the new version. Games are free to download. But many non-native English speakers prefer to use an external program to install the game into Windows. Total War has a "Default Re: Unit Pack Compatibility Project" that allows you to avoid these kind of problems and enjoy Total War more. The English language in Total War: WARHAMMER is still not translated properly for some mods or specific parts of the game, so you can be sure that your mod will work. Of course, many developers around the world are working hard on translating the game into more languages, so we're expecting these problems to be solved. In the mean time, you can use Total War: WARHAMMER with the Project Re: Unit Pack Compatibility. Thank you for your suggestion! napoleon total war english language pack download 1 DOWNLOAD: napoleon total war english language pack, napoleon total war english .
