- Engage in PvP Battles Tarnish your character by challenging and defeating your opponents. Enjoy the thrill of victory and the unpleasant sensation of defeat when your opponent's life gauge empties. In PvP, your rankings in the server will be displayed as a current rank and a pin. Defeat enemies to unlock their pins. Rank up by clearing PvP battles.
- Feel the Tactile Impact of Your Attacks The action scenes play out on a square canvas. Your attacks have a very real impact when you whack away at your opponent. The more you attack, the more you damage your opponent.
- Learn to Send and Receive Critical Hits and Critical Damage When you are attacked, the color of your life gauge changes. After a while, it will become red and start to fill up. If the level of red reaches your life gauge, you will die. In addition, the red level of your life gauge increases depending on the number of critical hits you receive, and the green level increases depending on the number of critical damage you receive.
- Craft the Best Equipments Use tools and magic that have high-level stats to strengthen your character. Equipping your equipment will boost your character's stats, making it easier to attack your enemies. Learn to attack with the best equipment, and become the best equipped character in the game.
