Download

Multimedia Systems Design / Prabhat K. Andley, Kiran Thakrar. (ISBN) 0130890952 (OCOLC)422856909. The book, which is a continuation of the previous one and written by the same authors, discusses the architecture of multimedia systems, their hardware and software, as well as the technical aspects of working with devices that are part of multimedia systems: PCs, video adapters, sound cards, etc. The book examples of various software solutions are given, as well as the most commonly used tools for creating multimedia systems are considered.
