Having a broken leg and missing an arm, he asked Vergil to kill him, since he is the child of a traitor. He also mentions that the love between himself and his fiancée was destroyed. While being taken to the battlefield, he talked about his lost love with his nurse. After learning of his victory, he said with tears in his eyes that he never looked back at the battlefield, implying that he had lost his hatred for Yukimura. After defeating Katakura Kojr, he now seems to have no sympathy for the enemy. He comments on how he likes the smell of blood and feels incredible while attacking the enemy. On the battlefield after his defeat, he posed before the defeated Ishida Mitsunari, praising his skill while shaking his hand and saying that he will come back at the Kawanakajima battlefield when he has a younger body. A second set of Special Weapons have been added to the game, and one of them is the Baek Hurry -Shuffle Fate- as a starter weapon. These weapons are exclusive to the starting character, and have an offensive effect. Similar to the weapons in Mirai Shoujo -Tsukiakari no Shogo, one attack is performed in the lower left of the screen. Some new costumes have been added in Sengoku BASARA 2. For example, Jubei has added a new costume, Battleship Jubei. The other costumes are the same as in Sengoku BASARA. New Nippon Pass Defense Devices have been added to the game. The devices are the same as in the Sengoku BASARA game. Each Nippon Pass Defense Device has its own special ability, which can only be used by the owner of the device. The Nippon Pass Defense Device can also change the types of attack that can be performed by the characters on the team (e.g. Raiden can perform Horizontal Slice and Horizontal Grab if the Press Guard device is equipped on him). 5ec8ef588b
